THE PROFITABLE

Economies of Aesthetics

From Possible to Desirable

18-20 June 2015 Basel, Switzerland

ELIA is delighted to announce the conference Economies of Aesthetics, that will take place the 18-20 June 2015 in Basel, Switzerland in collaboration with the University of Applied Sciences and Arts Northwestern Switzerland (FHNW). Held in the cultural city of Basel during Art Basel and Design Miami/ Basel, the conference Economies of Aesthetics will create a platform for informed discussions between experts from the fields of contemporary aesthetic practices, higher arts education, economy, social sciences and philosophy.
